I am so thrilled and excited to share with you the first issue of Unicorn Insight's Newsletter **Unicorn Sparkle**. At Unicorn Insight we believe in Magical way of living. We believe that however difficult your situation is , you are never stuck and you always have a way out..

Who inspired me this month :

I am inspired by Tim Ferris after reading 'The 4 hour Work Week'. This book is certainly a treasure that enables you to inspire your growth as a highly successful entrepreneur by ditching the mediocre lifestyle.

Food for my Brain

What am I reading :Currently I am reading 2 books - The Autobiography of a Yogi by Parmahansa Yogananda and the 4 Hour Work Week by Tim Ferris. Both books are life changers in their way

What am I watching : I am currently watching a lot of videos from Burt Goldman on Quantum jumping .It has created a paradigm shift in my life. I am also watching a few Webinars from Mindvalley – on boy it is so empowering

What am I listening to : As always I love my Zumba music as it helps me keep charged up on energy and gives me creative ideas. Additionally I am also listening to the amazing Mindfulness app – Insight Timer

Quote for the month:

Going with the theme of love , here is a beautiful quote I d like to share

"The best love is the kind that awakens the soul and makes us reach for more, that plants a fire in our hearts and brings peace to our minds. And that's what you've given me. That's what I'd hoped to give you forever."
